BY BUS OR TRAIN

The college is a 5 minute walk from Wellington bus and train stations. Wellington rail station is on the main railway line between Birmingham New Street and Shrewsbury.

BY CAR

If you are travelling from outside Telford the easiest way of reaching New College is to leave the M54 when it finishes and becomes the A5 at Junction 7.

(A) Travelling West on the M54/from M6/Wolverhampton

Leave the M54 at Junction 7 and turn right under the motorway. Follow the B5061 towards Wellington for nearly 2 miles (the old A5 Watling Street). Turn left at the first set of traffic lights at the junction into Mill Bank (at Cock Hotel and Swan Hotel). After 400 metres fork right into King Street. New College is immediately on your right. Limited visitor car parking is available in front of the college, the main car park is available at the back of the College off Regent Street (first right).

(B) Travelling East on the A5/from Shrewsbury

Leave the A5 before the start of the M54. Turn left onto the B5061 (the old A5). Follow directions as (A) above.

(C) Travelling from Worcester or Bridgnorth via the A449

Follow signs for M54 and then to Junction 7. Follow directions as (A) above.

(D) Travelling from Whitchurch/Market Drayton

Follow A41 to Newport then follow signs for Telford. If you are unfamiliar with Telford we suggest you follow signs for the M54 and exit at Junction 7. Follow directions as (A) above.
