

	Name	PHV Condition of licence	PHV Exceptional Conditions criteria	HCV Exceptional Conditions criteria	Other comments
1	Richard Taylor-Murison				Comments on the equality monitoring form. Changes should be made next time we do a consultation.
2	wishes to remain anonymous		Questioning the Councils opinion of vehicles less than 7 years of age in poor condition.		
3	Kawaljit Singh		Age limit of 10 years	Age limit of 10 years	
4	Malcolm Hayward		Age limit of 5 years.	Age limit of 10 years for all vehicles & minimum age of 2 years at licence.	Immaculate condition is a nonsense as no-one would spend more on a vehicle than it is worth.
5	Tony Humphries		7 year limit with option of 6 monthly compliance testing and exceptional conditions for further 3 years.		
6	Terence Spooner	Concerned that exceptional conditions will be a grey area and some vehicles may pass while others refused. Suggests 10yr age limit, with 6 monthly tests after 5 or 6 yrs.	Concerned it is open to interpretation. Suggests 10yr age limit but be strict on maintenance and that bodywork and interior are clean and in good condition.	Suggests 14 yrs be age limit in line with London HCV's, but be strict on maintenance and that bodywork and interior are clean and in good condition.	Feels that increased age limits will improve the relations between the trade and the Council and allow the Council to compete with Shropshire. Feels that vehicles are better built and last longer so age limit can be extended.
7	Newport Town Council	Acknowledge public safety is most important but	Feel that age of vehicle should not determine whether		Conditions should be consistent with any National guidelines. Conditions should not give an advantage or

		feels 10yr age limit would be better than 7 years.	it passes exceptional conditions. The wording implies that older vehicles have to achieve a higher standard than vehicles less than 7 years old.		disadvantage to operators within the Telford area. Conditions should be consistent with neighbouring authorities.
8	Nigel Horler Diamond Cars (Telford) Ltd	Should be no age restrictions. 6 monthly testing after 5 years of age should ensure the vehicle is roadworthy. Removal of age restrictions would bring Telford in line with other authorities.			Conditions should be similar to neighbouring authorities.
