Dear Ms Buckley

RE:- Tree Preservation Order at Woodside Local Centre, Park Lane, Woodside

I am in receipt of a TPO dated 8th August 2011 from yourself.

We are extremely disappointed that the Local Authority felt it was necessary to issue a TPO on the one lime tree on the above development this far down the planning route. We have had numerous discussions with the planning department and everyone has been aware that the tree was not going to be retained in this position. It is an extremely young lime tree and we felt that other trees being planted around the site would compensate.

However because of the good working relationship we have with Telford and Wrekin Council and the fact that both sides have worked extremely hard over a number of years to get the scheme to the planning stage we have amended the parking layout to enable the tree to be retained.

We would like you to re-consider your position and remove the provisional TPO order from this specific tree.

I look forward to receiving your favourable response, but should you require any further information please do not hesitate to contact the undersigned.

Yours sincerely

Karen Lloyd
