5 Information

5.1 Background.

5.1.1 The Licensing Act 2003 requires the Licensing Authority to review, consult, determine and publish a Statement of Licensing Policy every five years detailing how it will exercise its licensing functions under the 2003 Act.

5.1.2 The current Statement of Licensing Policy issued by this Licensing Authority came into effect on 7th January 2011 and must now be reviewed again.

5.1.3 To assist Licensing Authorities in the drafting of a revised Statement of Licensing Policy, the Home Office has issued Guidance under s.182 Licensing Act 2003. The most recent version of the guidance has been followed when reviewing the policy document, along with Best Practice Guidance issued by the Local Government Association (LGA) and the Licensing Policy Forum.

5.1.4 The Licensing Authority must carry out its functions, including its Statement of Licensing Policy, with a view to promoting the Licensing Objectives which are:

- the prevention of crime and disorder;
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

5.1.5 The majority of the proposed changes to the policy are due to changes in the law, and so some sections have been amended to reflect these changes, and other sections have been added on the following:

- Sexual Entertainment
- The Licensing Authority as a responsible authority
- Health as a responsible authority
- Early Morning Restriction Orders
- Late Night Levy
- Non-Payment of Annual Fee

The policy has also been revised in places to ensure the document is more user-friendly for applicants, officers, responsible authorities and the public.

5.1.6 Section 5 of the Licensing Act 2003 requires the Licensing Authority to consult with:

- the chief officer of police for the licensing authority's area,
- the fire authority for that area,

- each Local Health Board for an area any part of which is in the licensing authority's area
- each local authority in England whose public health functions within the meaning of the National Health Service Act 2006 are exercisable in respect of any part of which is in the licensing authority's area
- such persons as the licensing authority considers to be representative of holders of premises licences issued by that authority,
- such persons as the licensing authority considers to be representative of holders of club premises certificates issued by that authority,
- such persons as the licensing authority considers to be representative of holders of personal licences issued by that authority, and
- such other persons as the licensing authority considers to be representative of businesses and residents in its area.

In addition to the statutory consultees, the Licensing Authority has also written to all premises licence holders in the area, town and parish councils, local community organisations and national organisations inviting comments. A full list of those we have consulted with is at Appendix C of the Statement of Licensing Policy. The revised Statement of Licensing Policy was also made available at Council Offices and a copy posted on the Council's website similarly inviting comments.

5.1.7 Following the approved consultation period which ran from 22nd June 2015 until 14th September 2015, the Council received no responses to the revised Statement of Licensing Policy. The revised Statement of Licensing Policy which the Committee are being asked to approve is the same as the revised Statement of Licensing Policy which was put before the Licensing Committee on 9th June 2015, with those changes made to it which were recommended by the Licensing Committee.

5.2 Equal Opportunities

5.2.1 As described in the revised Statement of Licensing Policy and as part of the consultation process, a wide range of organisations, bodies and individuals were approached and given the opportunity to make their views known in relation to the Revised Statement.

5.2.2 The legislation is designed through the promotion of the licensing objectives to take account of the interests of local residents and businesses and the protection of children from harm in determining any application.

5.2.3 Following the formal consultation, a Communities Impact Assessment has been carried out which is included with this report.

5.3 Environmental Impact

5.3.1 Not applicable for the purposes of this report.

5.4 Legal Comment

5.4.1 The Licensing Act 2003 section 5 states that each licensing authority must in respect of each five year period determine its policy with respect to the exercise of its licensing functions and publish a statement of that policy before that date.

5.7 Opportunities and Risks

5.7.1 In proposing the decision to be made concerning the review of the Statement of Licensing Policy under the Licensing Act 2003 the Corporate Risk Management Methodology has been complied with. This approach is not intended to eliminate risks but to identify the risks and manage them. However, not all risks can be managed all of the time and some risks may not have been identified.

5.7.2 The following key risks and opportunities associated with this decision have been identified and assessed and arrangements will be put in place to manage them.

5.7.3 A failure to publish the Statement of Licensing Policy by 7th January 2016 and in a form that is too prescriptive or significantly deviates from Guidance issued to Licensing Authorities under s182 of the Licensing Act 2003, could give rise to challenge by way of judicial review and the associated costs involved with this. Having identified this risk, processes and procedures have been put in place to ensure that the review of the Statement of Licensing Policy is carried out in a manner and within a timescale that should minimise such a risk so far as possible.
