

## **Appendix C- Community Impact Assessment**

It is intended that you complete this form if you have identified a high negative impact to our communities and employees.

Sections 1 & 2 should be completed early in policy development and before any consultation/engagement activity takes place

Sections 3 & 4 should be completed before policy approval.

**You will find the information from this assessment useful for the Equality Implications section of any report you are completing.**

### **Section 1 – Overview**

1. What is the title of the policy?

Annual Review of the Council's Licence fees for licences issued by the Licensing Service.

The current level of fees and other charges for Hackney Carriage and Private Hire, Gambling and General Licences were implemented by the Licensing Authority on 1<sup>st</sup> June 2017 and for Park Homes Licences on 1<sup>st</sup> February 2017.

A Council, when setting fees, should have regard to the impact that any increase may have upon the livelihood of licence holders.

It is lawful for a local authority to recover the costs of administering, and in some cases, enforcing the licensing regime. The principal aim is to protect the public and to provide an efficient and effective service to licence holders and stakeholders

2. This policy affects

- Customers/service-users
- Partners
- Licence holders

3. What period does the policy cover?

The proposed licence fees will cover the next financial year and comes into effect on 1<sup>st</sup> April 2018.

#### 4. What is the expected impact?

##### **People of Different Ages**

###### Community

In many cases licence holders will pay the same licence fee which could lead to a positive impact on their customers as licence fees have not increased. With Park Homes, where there has been a proposed increase, the council does not have any evidence that this is passed on to residents. We have no local data, however, national data, according to the Department for Transport Best Practice Guidance on Taxi and Private Hire Vehicle Licensing, says that low-income young women are one of the largest groups of users of taxis and private hire vehicles.

###### Licence Holders

The equality data collected by the Licensing Service shows that there is a variety of ages across the numbers of licence holders and any change in licence fee will therefore not impact on any particular age group.

##### **People with Ill Health or People with a Disability**

###### Community

In many cases licence holders will pay the same fee which will not contribute to any increase in taxi fares for disabled communities. Hackney Carriages and Private Hire Vehicles provide a door to door service for those disabled members of the community who are not able to use other forms of public transport. An overall decrease in fares resulting from a decrease in licence fee will have a positive impact on this characteristic.

##### **People of Different Gender**

Licence holders will pay the same licence fee, which might lead to taxi proprietors maintaining current levels of taxi fares for men and women. According to the Department for Transport Best Practice Guidance on Taxi and Private Hire Vehicle Licensing, low-income young women (amongst whom car ownership is low) are one of the largest groups of users of taxis and private hire vehicles.

##### **Different Racial Groups**

The equality data collected by the Licensing Service shows that there is a variety of ethnicities across the numbers of licence holders who will be paying similar licence fees for the forthcoming year. The policy could have a positive impact on this group of people if the proposed license fees see an increase in the numbers of drivers continuing with employment.

##### **People affected by Deprivation**

This policy will have a positive impact if taxi/private hire fees and fares are maintained at the current levels and not increased. According to the Department for Transport Best Practice Guidance on Taxi and Private Hire Vehicle Licensing, low-income young women are one of the largest groups of users of taxis and private hire vehicles.

#### 5. What engagement and consultation have you already carried out?

The Licensing Service carried out a benchmarking exercise with other local authorities in Telford & Wrekin Council's family group in 2016/2017 when the

current fees were set. This information is attached to a public report which was considered by the Council's Licensing Committee on 30<sup>th</sup> March 2017. A 28 day legal notice was published in the local press and on the Council's website advertising the proposed level of licence fees before they were implemented on 1<sup>st</sup> June 2017.

**Section 3 – Mitigating Actions**

DRAFT

### **Section 3 – Mitigating Actions**

1. For any significant **negative** impacts identified in Section 2 (Questions 3 & 4), what action have you taken or will you be taking to reduce/manage these impacts?
2. For any significant positive impacts you identified in Section 2 (Questions 3 & 4) what action have you taken or will you be taking to maximise the opportunity?

The Licensing Service will be informing licence holders of the level of fees implemented on 1<sup>st</sup> April 2018 and will be monitoring the numbers of new applications received.

3. How do any of the above actions contribute to aims of the General Equality Duty;
  - **eliminate unlawful discrimination, harassment and victimisation**
  - **advance equality of opportunity**
  - **foster good relations between different groups**

The publication of a 28 legal notice ensured that members of the community who might be affected by the level of fees were given the opportunity to have their say, have their concerns listened to and responded to. This will also contributed to fostering good relations between different groups. By setting a review date of licence fees before the end of the next financial year, this will be monitored and reviewed.

### **Section 4 – Review and Monitoring**

1. From what date will this policy be implemented?

1<sup>st</sup> April 2018

2. When will the actual impacts of the policy be monitored and reviewed?

2018/2019

3. How will the actual impact of the policy be monitored and reviewed?

Licence fees will be further reviewed by the Council in 2018/2019 in order to set licence fees for the financial year 2018/19. The numbers of licences issued and the effects of the levels of fees implemented on 1<sup>st</sup> June 2017 will be assessed.

Ensure that appropriate confirmation has been given by your line manager.
