Since the publication of the report, the following information is provided.

Public Rights of Way

Paragraphs 2.5 (on page 15) and 6.13.4 (**on page 47**) of the Report refer to a "Rights of Way plan attached". This was unfortunately omitted from the Committee papers. This plan is now attached.

Further to paragraph 6.13.6 of the Report (**on page 47**), the Council as landowner, has confirmed its acceptance that, on the basis that it is an indicative plan only, the claimed rights of way exist as shown on the attached plan. As a consequence, members can determine this application as if the Definitive routes and the Claimed routes (as indicated) exist.

Note: Typing error with paragraph numbering from page 46 onwards.
