## **BACKGROUND**

### **Parliamentary Boundary review**

1.1 On 13 September 2016 the Boundary Review Commission for England issued proposals to amend the parliamentary boundaries for Telford and The Wrekin constituencies respectively. The Boundary review Committee considered these proposals at its meeting on 29 September 2016.

1.2 The original proposal for the Telford constituency remains: that the ward boundary will be extended to take in the district wards of Donnington and Hadley & Leegomery which are currently in the Wrekin constituency.

The revised parliamentary electorate for the Telford constituency is 76,556

1.3 The proposal for The Wrekin constituency is to extend the constituency by including six Shropshire county wards, from the existing Ludlow constituency, including the towns of Bridgnorth and Broseley. Much Wenlock is no longer included in the revised proposal. This constituency will be called Bridgnorth and The Wrekin.

The revised parliamentary electorate for the Bridgnorth and The Wrekin constituency is 73,850

1.4 The Committee is asked to consider the proposals and make any comment which should be returned to the Boundary Commission for England. The deadline for submitting any comments is 11 December 2017.
