3. **Notice of Motion**

Councillor Shaun Davies will move the following Motion:

“This Council is gravely concerned by the planned overnight closure of PRH’s A&E due to start in November. This Council has seen this coming for the past two years, and from October 2016, the Leader has contacted the Secretary of State numerous times to warn about the situation at SaTH.

Now at the 11th hour, this Council again calls on the Secretary of State to intervene to support the key priority agreed with SaTH and all necessary actions to prevent the overnight closure of Telford’s PRH’s A&E, namely:

- To allocate extra middle grade A&E doctors and nurses to SaTH as a matter of urgency as current staffing levels make keeping two A&Es open impossible for the Trust to maintain
- Work with the Home Office to expedite stalled visa applications from doctors and fast track successful applicants to work in A&E at SaTH
- To provide central funding to help SaTH acquire a new radiology scanner at PRH to ensure its A&E can remain open overnight.”

The Motion will be seconded by Councillor Richard Overton.

4. **Political Balance**

FILMING, RECORDING & PHOTOGRAPHY

The Council supports the principle of transparency and encourages filming, recording and taking photographs at its meetings that are open to the public. It also welcomes the use of social networking websites (such as Twitter and Facebook) and micro-blogging to communicate with people about what is happening, as it happens.

There is no requirement to notify the Council in advance, but it should be noted that the Chairman of the meeting will have absolute discretion to terminate or suspend any of these activities if, in their opinion, continuing to do so would prejudice proceedings at the meeting.
