Welcome

Dear applicant

Telford and Wrekin is a great place to live, work, visit and do business.

We've an exciting vision and ambitious plans for Telford and Wrekin to protect, care and invest to create a better borough and to foster a real sense of pride in our community. Our senior management team will deliver these plans and key new priorities at pace.

The Council is now looking for a new Director of Adult Social Care to join our awarding winning council who can build on the innovation of the past, deliver the highest quality care and support services, whilst ensuring residents and communities are at the heart of what we do as a Council, day in and day out.

In all we do, we will continue to seek new ways to work in partnership and co-operation with our communities and partners to understand their priorities and address them.

Underpinning this are our Co-operative Values of Openness and Honesty, Ownership, Fairness and Respect and Involvement.

The successful applicant will have a real opportunity to lead and drive change, supported by a passionate, hard working group of members and colleagues.

The role will be challenging, varied, exciting and above all rewarding, and knowing our staff and management teams, with fun along the way too.

I look forward to receiving your application.

David Sidaway

Chief Executive

About Telford & Wrekin

Telford and Wrekin is a unitary council located in Shropshire, which borders North Wales and is surrounded by Cheshire, Staffordshire, and Herefordshire & Worcestershire.

Telford is located beside the M54, giving access to the M6 within 15 minutes and connectivity to the M5, M42 and M1. Telford is approximately 3 hours from London, 1 hour 45 minutes from Manchester and only 40 minutes from Birmingham.

Telford & Wrekin is rightly described as a place of contrasts - the rural and historic sitting alongside 'new town' housing and modern industrial estates. Given new town status in the 1960's, Telford has grown rapidly over the past 50 years around existing Borough towns including Madeley, Wellington, Oakengates, Hadley and Dawley. Two thirds of the Borough surrounding Telford is classified as rural, and includes the historic Ironbridge Gorge UNESCO World Heritage Site, the symbol of the Industrial Revolution.

Our population is one of the fastest growing local authorities outside of the south east, with growth of 11.4% between the 2011 and 2021 census. We saw the number of households in the borough grow by 15% - the second largest increase by an English local authority.

As the population is growing it is ageing and becoming more diverse. Over the inter-census period there was a 65% increase in the number of people aged 65+ in the borough – the second largest increase by local authority. It is estimated that 17%% of the population are from an ethnic minority – up from 10% in 2011.

Telford and Wrekin is a place of socio-economic contrasts with parts amongst the most deprived, comparable with inner cities, and the least deprived nationally. We have 18 neighbours in the 10% most deprived nationally.

The Borough has a diverse manufacturing sector, a burgeoning tourism sector and research and development facilities. It has a strong focus on manufacturing - important sectors of the local economy include polymers and advanced engineering- as well as food and drink, construction and retail.

Telford is a regional and national focus point for both housing and job growth. Despite challenging conditions faced by the housing market, the Borough has seen year on year growth in housing since 2007 and is ranked as one of the fastest growing areas by Centre for Cities report for the past 3 years. 2014 saw the opening of Southwater; a £250m town

centre development including a range of cultural, leisure, retail and event facilities, which has since been expanded with the addition of a new hotel and additional retail outlets.

There are lots of ways to get around the Borough. There is an extensive public transport network, including buses and trains. There are also numerous cycle tracks, bridleways and footpaths. Telford is a great place to bring up a family, alongside the extensive range of leisure and cultural activities.

As an organisation we are laser-focussed on our vision to **“protect, care and invest to create a better borough”** and have a robust track record of delivery, including:

- A recent peer review, described adult social services as “exceptional” Adult Social Care shared lives service judged as outstanding by the CQC
- Children’s social services judged as outstanding by OFSTED
- being an economic powerhouse for the region and our country
- transformed Telford town centre through our Southwater Development with work underway with the next development programme
- some of the best roads in the country
- excellent in-house leisure offer, second to none
- a brilliant cultural and events programme

Our most recent LGA corporate peer review in 2021, concluded that:

‘The Council should be very proud of what it is achieving, with it clearly being very ambitious, top performing in key areas and striving constantly to deliver for local people.’

Our progress is recognised more widely by the sector. We won the prestigious MJ Council of the Year award and we were the APSE Council of the Year in 2021 and this year.

As a Co-operative Council how we deliver is as important as what we deliver. All that we do as an organisation is underpinned by our co-operative values of: openness & honesty; ownership; fairness & respect; and, involvement. This means that we work with people through sound engagement and co-production rather than doing things to them.

We also know that our achievements are founded on our brilliant workforce. They are core to our success as an organisation. They are committed to what we are seeking to achieve with our latest staff survey found that 93% of employees understand how their role contributed to the Council's priorities.

We have a track record of sound financial management. We have stayed within 1% of our budget for the past decade despite delivering substantial savings.

Looking forward, we are clear on the future direction for the organisation and the borough. We have a 10-year vision agreed with our strategic partners that sets out our ambitions for the borough and the challenges that we need to tackle to deliver on our own levelling-up agenda. Our focus through this vision is to build a more inclusive borough.

The Role

In Adult Social Care we strive to deliver a modern, influential, outward facing service that brings social care, health organisations and key partners together to provide a joined up offer for Telford and Wrekin residents with care and support needs.

You will be the Designated Director of Adult Social Services (DASS). Reporting to the Executive director: Health Integration and Wellbeing and Adult Care

You will take the service forward through the significantly changing times and challenges to ensure that we are fit for the future and you will be exploring new models of service delivery to protect and provide sustainability to our front-line services

In every decision you make, you will continue to seek new ways to work in partnership and co-operation with our communities to understand their priorities and address them.

Working together with key partners, you will continue to innovate, develop and improve services to ensure the best outcomes for people and enable them to live well and independently in Telford and Wrekin.

As Director: Adult Social Care you will lead dedicated teams, you'll inspire, influence and drive partnership working with new approaches and innovation to build on these foundations and achieve our plans in a very challenging financial environment.

Ideally you will have proven experience of building collaborative partnerships alongside strategic and operational management and leadership of a range of Adult services in a complex and fast changing organisation focused on customers and the community.

As you can see, we will have high expectations of the person we appoint to this post and our residents and employees deserve nothing less.
